

ORANGEBURG VOLUNTEER FIREFIGHTERS
ANNUAL TOY COLLECTION WILL BE IN MEMORY OF
ELF CAROLYN

For many years Carolyn was an Elf for Orangeburg's various Christmas Celebrations. Whether we celebrated Santa Saturday at the firehouse, traveled with Santa along our streets or for the last few years riding along with Santa during our annual Holiday Parade, Elf Carolyn was there.

The last two years many will recall that Elf Carolyn talked with the children via facetime as she was busy at the North Pole making sure all of the toys were being made on schedule. Whereas the children were comfortable discussing their wish list via facetime, many adults realized Elf Carolyn was actually in Memorial Sloan Kettering in NYC.

In February of this year Elf Carolyn was permanently called back to the North Pole. Though her physical presence is no longer with us her desire to make every child enjoy the magic of Christmas is still very much alive and a driving force for the volunteer firefighters.

This year we will have several toy collection dates leading up to and after our annual parade. Each child that brings an unwrapped toy will be given a sticker for their generosity indicating they are one of ***Carolyn's Elves.***

On each collection date our firehouse will be open for children to come and visit the firehouse and the big fire trucks we have.

Carolyn's Elves Collection Dates

Saturday, December 1st 9AM until Noon

Friday, December 7th 6PM until 8PM

Saturday, December 8th – Before the Holiday Parade – Noon until 3 PM

Saturday, December 15th Noon until 3PM
